To keep the recycle program viable we ask residents to put only the proper recyclable items into their recycle cart. Non-recyclable materials and food contaminated items are not allowed to be put into the recycle cart. Garbage and non-recyclable items should be put into the garbage cart. Items to recycle are: papers, plastics, plastic bottles, cardboards, aluminum & tin cans NO GLASS OF ANY KIND!

Residents should only put the proper yard waste into their green yard waste cart. The green cart is for vegetation yard waste only. Please do not put garbage or any type of lumber into this container as this contaminates the load for the disposal process.
